

The Leigh UTC 2016-2017
Planned Allocation of Pupil Premium

Principles

- Our work with students entitled to Pupil Premium is aimed at accelerating their progress with a particular focus placed upon improving literacy and numeracy, promoting independency and generating future goals.
- We aim to support our students by raising their aspirations and broadening horizons.
- We ensure that teaching and learning meets the needs of all of our students.
- We ensure appropriate provision is made for vulnerable groups of students.

Student number on roll	196
Total number of students eligible for PPG	41
Amount of PPG received per student	£935
Total	£38,335

PPG allocation for 2016-17

In order to ensure that students from disadvantaged backgrounds are given equal chances to succeed, in The Leigh UTC we plan to use the Pupil Premium Grant for:

- Providing targeted interventions during and outside of school hours for English, Maths and Science.
 - (i) Appointing temporary learning mentors.
 - (ii) Building ethos that success will arrive if the work is put in, no matter the starting point.
 - (iii) Expert knowledge and specifically targeting of Pupil Premium to tackle fluency, problem solving, exam techniques and building confidence/ resilience.
 - (iv) Focus on question by question analysis for individuals to ensure that students of Pupil Premium understand where strengths were and where mistakes were made in order to improve them.
 - (v) A recap of what has been taught in the previous week and ensuring that students are able to solve a problem question based on what they have learnt.
 - (vi) Resources such as 5 a day and Pixl maths app. Using consistent strategies to enhance learning in all areas.

- (vii) Two intervention rooms have been set up to provide a quiet learning environment, with visuals and manipulatives to promote effective learning.
- Enabling students to have a full access to technology via chromebooks
 - Each pupil premium student will be allocated a chromebook to use during their time in The Leigh UTC with the opportunity to keep it at Post 16
 - Enabling students to access enrichment and enhancement opportunities.
 - Boxing for schools - A 12 week boxing programme for Year 10 PP students to improve focus, discipline and fitness.
 - Raising aspirations to Post 16 and beyond.
 - We follow our PP students beyond KS4 into the Post 16 too
 - Career advice, CV writing, mock interview, career fairs
 - Providing students with breakfast and water during examination periods in addition to calculators and pencil cases with appropriate equipment during examination periods including pre-public exams.
 - Ensuring disadvantaged students have access to the full breadth of the curriculum (trips, visits, enrichment, transport).

Record of PPG spending by item/project 2015/16

<u>Item</u>	<u>Cost</u>	<u>Project</u>	<u>Impact</u>
