THE LEIGH UTC

**Admissions Arrangements
2023/2024**

Updated: November 2021

To be Reviewed: September 2022

ADMISSION ARRANGEMENTS

The Leigh UTC for the academic year 2022 1 2023

Leigh Academies Trust is the Admissions Authority of the Academy.
Applications for places will be made in accordance with Kent County Council
co-ordinated admissions scheme and timetable.

The Leigh UTC has an agreed published admission number of 120 for entry into Year 7
for the year 2023 / 2024.

Process of Application To apply for a place at The Leigh UTC, an applicant must apply
through the home Local Authority, in accordance with the Co-ordinated Planned
Admission scheme.

Consideration of applications All applications for places will be considered. Where
fewer applications are received than the agreed admissions number, the academy will
offer places to all those who have applied.

All applicants will be invited to sit a fair banding test. This is to ensure the academy
admits a fully comprehensive range of abilities. It is not possible to pass or fail the test,
but those not sitting the test at all, will only be prioritised after those children who have
sat the test. The date of the test will be published widely, including on the academy
website. Parents wishing to apply for this academy should do so to the local authority in
the usual way and register for the test by sending a Fair Banding Test Form, available
from the academy website, to the main office of the academy or via email to be
received by the date published on The Leigh UTC website. . Applicants who do not sit
the test will be allocated an alternative date and time to sit the test. These applicants
will not receive details of the fair banding test results until after the 31st October
application deadline to submit a

Supplementary Information Form (SIF) to their home local authority. Outcomes of
the fair banding test will be available upon request from the academy after the date
published on The Leigh UTC website

Requests for admission outside of the normal age group should be made to the
Academy as early as possible in the admissions round associated with the child's date of
birth. This allows the academy and admissions authority sufficient time to make a
decision before the closing date. Parents are not expected to provide evidence to
support their request, however where provided it must be specific to the child in
question and may include medical or Educational Psychologist reports. There is no legal
requirement for this medical or educational evidence to be secured from an
appropriate professional, however, failure to

provide this may impede the academy's ability to agree to a request for admission outside of
the normal age group.

Parents are required to complete an application for the normal point of entry at the same time, in case their request is declined. Applications must be made to the Local Authority, with written confirmation from the academy Principal attached. Applications will be processed in the same way as all applications for the cohort in the following admissions round, and offers will be made in accordance with the academy's oversubscription criteria.

Before the application of oversubscription criteria the following groups will be admitted and the published admissions number will be reduced accordingly:

- o Children with a Statement of Special Education Need or Education, Health and Care Plan (EHCP) that names The Leigh UTC.

Procedures where the Academy is oversubscribed

Applications for places at the academy will be considered as follows:

- o Looked After Children or previously Looked After Children. A Looked After Child is one who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in section 22(1) of the Children Act 1989). A previously Looked After Child is a child who was adopted, or subject to a Child Arrangement Order, or special guardianship order, immediately following having been looked after.
- o Children previously in Care outside of England - Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

Those applicants who have undertaken the fair banding test will then be split into 5 equally sized bands, based on the results of the fair banding test. This is to ensure that students across a broad range of abilities are admitted. If the number of applicants is not divisible by five the following process will apply:

- o If there is one extra applicant when the number of applicants is divided by five there will be an additional applicant placed in Band 3;
- o If there are two extra applicants, there will be one additional applicant placed in Band 2 and one in Band 4;
- o If there are three extra applicants there will be one additional applicant placed in Band 5, one in Band 1 and one in Band 3;
- o If there are four extra applicants there will be one additional applicant placed in Bands 1, 2, 4 and 5 respectively.

- o If when the groups are split there are two children who have scored the same in the test, the academy priority criteria will be used to identify which child would go in which band

Once students have been allocated, priority within each band will be given in the following order:

(1) Admission of students whose sibling(s) currently attends the school. Students whose sibling(s) currently attends the school and who will continue to do so at the time of entry. For this criterion brother or sister means children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, step-brothers or sisters, foster brothers or sisters. Children residing in the same households as part of an extended family, such as cousins, will not be treated as siblings. If siblings from multiple births (twins, triplets, etc.) apply for the Academy and the Academy would reach its Published Admission Number (PAN) after admitting one or more, but before admitting all of those siblings, the Academy will offer a place to each of the siblings, even if doing so takes the Academy above its PAN. The Academy reserves the right to ask for proof of relationship.

(2) Acute Medical/ Social Needs. Medical, health, social and special access reasons will be applied in accordance with The Leigh UTC legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend The Leigh UTC. Equally this priority will apply to children whose parents'/guardians' physical or mental health or social needs mean that they have a demonstrable and significant need to attend the Academy. Such claims will need to be supported by written evidence from a suitably qualified, independent registered medical or other practitioner, at the time of original application, who can demonstrate a special connection between these needs and The Leigh UTC.

(3) Child of a staff member. The son or daughter of a member of staff who has been employed at the academy for two or more years at the time at which the application for admission to the academy is made, or who has been recruited to fill a vacant post at the academy for which there is a demonstrable skill shortage. For these criteria son or daughter means a child who lives in the same house as the member of staff, including a natural son or daughter, an adopted child, step-son or daughter, or foster child. Children residing in the same households as part of an extended family, such as cousins, will not be eligible under this criterion. If children come from multiple births (twins, triplets, etc.) and the Academy would reach its Published Admission Number (PAN) after admitting one or more, but before admitting all of those children, the Academy will offer a place to each of the children, even if doing so takes the academy above its PAN. The Academy reserves the right to ask for proof of relationship.

(4) Children attending Leigh Academy Trust Primary Academies -20 places will be available to children attending a Leigh Academies Trust primary academy. Applications will only be given priority in this category if the Leigh Trust secondary academy to which they are applying is closest to their home. If oversubscribed in this

category it will be the 20 closest to the Academy that will be admitted and there will be 4 places within each band

(5) Nearness of children's homes to school - proximity of the child's home to the school, with those living nearer being accorded the higher priority. We use the distance between the child's permanent home address and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point data. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight line measurements are used to determine how close each applicant's address is to the school.

The home address is considered to be where the child resides as their only or principal residence. Proof of liability for Council Tax will be required. If the child resides equally between both parents, the principal home address will be considered as being the address at which the child is registered whilst attending primary school, with a GP and, if applicable, the address of the parent who is in receipt of Child Benefit or Child Tax Credits for the child. For children who reside with a relative or carer other than a parent, a residence order or other court order will be required.

Those applicants who did not undertake the fair banding test will then be considered. Priority will be given in the following order:

- (a) Admission of students whose sibling(s) currently attends the school;
- (b) Acute medical/social needs;
- (c) Child of a staff member;
- (d) Children attending Leigh Academy Trust Primary Academies (e) Distance from the Academy.

The definitions of these criteria are the same as listed in section 2 above.

Tie Breaker. In the unlikely event that two or more applicants living the same distance away from the Academy and in all other ways have equal eligibility for the last available place at the Academy, the names will be issued a number and drawn randomly to decide which child should be given a place.

Late Applications. The Leigh UTC follows Kent County Councils Local Authority's policy for late applications as stated in the booklet "Secondary Schools in Kent".

In Year Admissions. Applicants applying for a place at The Leigh UTC need to apply directly to the Academy. The process regarding children admitted via Fair Access Panel will be in line with Kent Local Authority's published arrangements.

Waiting list. The Academy will maintain a waiting list, in all ability bands, for the academic year being applied for. This will operate when the Academy receives more applications than there are places available, and the waiting list will operate for the full academic year. The waiting list will be managed by Kent County Council admissions team until August 31st and transfer to the academy on September 1st. The Leigh UTC will operate a waiting list, until 31st December 2022. Any parent/ carer can ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. Any child for whom a place is requested on the waiting list will undertake the fair banding test, thus allowing each child to be placed in one of the ability bands. The lists will be ranked in line with the published oversubscription criteria, listed above, and no further information can be considered. If a place becomes available, the Academy will offer it to the next applicant on the waiting list in the appropriate ability band. If there are no applicants in that band, we will offer the place to the next applicant in an adjacent band, and so on. If a parent/ carer wishes their child to remain on the waiting list for the following academic year they must reapply at the start of the relevant academic year.

Looked After Children, previously Looked After Children and those allocated a place in accordance with the local authority Fair Access Protocol will take precedence over those on the waiting list.

To remain on the waiting list for the following academic year, an in-year admission application must be submitted.

Appeals. Leigh Academies Trust, as the Admissions Authority, delegates the responsibility for the administration of appeals to the Academy. Parents who wish to appeal the decision to refuse their child a place at the Academy may appeal in writing to the Clerk to Governors c/o the Academy. An independent panel will hear appeals in accordance with the School Standards and Framework Act 1988.
